

Course Structure 2024 - 2025

Level 1 Courses

- All Level 1 courses are online, included in your membership and are free of charge
- All learners must complete General level 1 before any add on modules can be started
- After General level 1, learners are able to complete any of the level 1 add on modules
- A minimum of 1 add-on module must be completed before moving to general level 2
- The specific discipline level 1 add on module must be complete in order to do level 2
E.G Mag Level 1 add on must be complete in order to complete Mag Level 2

Level 2 Courses

- Level 2 Theory & add on modules are to be completed online and are free of charge.
- Learners must have completed the relevant level 1 add on module to start the level 2 add on module
- Learners are able to complete all of the add on modules if they wish
- Learners must attend a practical day in order to complete the course
- Level 2 practical days are £100 per learner

Level 3 Courses

- Level 3 courses are currently being developed and are aimed to start mid 2024
